Instructional Materials Request

The Indiana Firefighter Training System has developed objectives, lesson plan, powerpoint slides, skill evaluation checklists and a student manual. The material will be available on CD for use by Instructor I or Instructor II/III in delivering the State requirements for Mandatory and Basic Firefighter Certification.

In order to obtain this instructional material you must request a copy by providing the following information to the Division of Training. The material will be provided to the Instructor on several CD's. It will be the responsibility of the course sponsor to print the student manuals from the CD for each student.

There is no cost in receiving this instructional material.

Instructor Name			
Instructor Street Address			
City, Zip			
Instructor Phone Number			
Fire Department Name			
Training Institution
